Light My Life With Love

Words by DON DUNDAS

Music by IRA B. ARNSTEIN

Moderato

Voice

earth is gently lulled to rest by winds that softly blow—

earth is warmly called to life by glow of rising sun—

think of all the happy days with heart that’s filled with woe—

think of all the tender words with which my heart was won—

Won my heart then went a-way and left me all a-lone.

And all the night and all the day I call you back my own.

Come back un-to my heart.

Valse lento
Return to me I beg of thee no more from me to part

depth pain and darkest sorrow You brought like clouds from above

My soul is weary come back to me dearie and light my life with love
